

Join Our Dynamic Team as a Service Technician at Hobart UK Service

Are You Ready to Elevate Your Career?

Hobart UK Service, a leader in the catering equipment industry, is currently searching for a highly skilled and meticulous Service Technician to enhance our operational capabilities. If you are passionate about leveraging your electrical expertise and problem-solving skills to provide top-notch maintenance, repair and service solutions, we invite you to bring your talents to our team.

Why Join Hobart UK Service?

Embark on a career where your skills are valued and your professional growth is championed. Enjoy the camaraderie of a supportive team while tackling exciting challenges that come with servicing the intricate machinery that powers the catering industry.

What Will Your Role Involve?

- **Expert Repairs & Servicing:** You will handle repair and servicing tasks for a diverse array of catering equipment, such as dishwashers, ware-washers, ovens, mixers, and various food and beverage preparation machines. Service calls may include evening and weekend commitments.
- **Proactive Maintenance:** Perform planned contract maintenance, conduct warranty checks, and manage installations of new equipment. Your role is crucial in ensuring the longevity and optimal performance of our equipment.
- **Diagnostic Excellence:** With your advanced diagnostic skills, you will identify faults with precision, ensuring that efficient and effective solutions are consistently applied.
- **Inventory & Logistics Management:** Efficiently manage van stock levels, order and keep accurate records of spare parts, ensuring you are always prepared for the task at hand.
- **Administrative Accuracy:** Meticulously complete all related paperwork and maintain up-to-date electronic timesheets to log your work effectively.
- **Collaborative Teamwork:** Work closely with our Dispatcher to enhance productivity and service effectiveness, attend essential meetings, and participate in training sessions to stay ahead in your field.
- **Vehicle Maintenance:** Maintain all aspects of your company vehicle, to be kept in pristine condition, ensuring it is mechanically sound and roadworthy at all times, presenting a good professional image for our brand.
- **Customer Relations:** Uphold an exemplary professional image and maintain excellent customer relationships, seizing opportunities to foster client loyalty and drive sales.

What Are We Looking For?

- **Essential Qualifications:** A solid electrical foundation, evidenced by a recognised qualification such as City and Guilds, NVQ Level 2, or equivalent Armed Forces training. Extensive industry experience coupled with specific manufacturer training may also meet this requirement.
- **Desired Attributes:** Gas competence with relevant certifications, outstanding communication skills, and a proven ability to nurture positive customer interactions.

We look forward to welcoming a motivated Service Technician who is eager to make a significant impact and thrive within our esteemed company. If you are ready to take your expertise to new heights, apply today and join a team that is as dedicated as you are!
